ANDERSON SENIOR HIGH SCHOOL
Anderson, Indiana

our year unfolds as we go

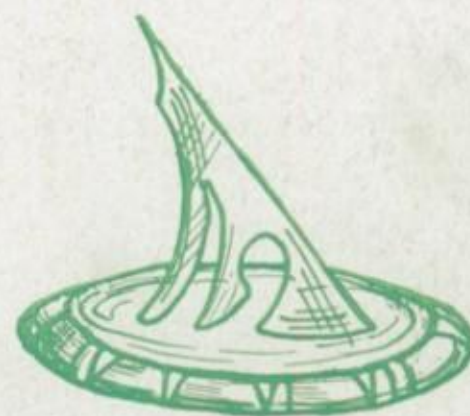

month by month through the

1952 INDIAN

From September to June, Anderson High School was bustling with activity. Dances, basketball games, and convos were all part of the school life of Mr. and Miss AHS. Social and physical development was stressed along with intellectual achievement.

Seniors looked forward to 1952 and graduation; but after it was over, many regretted leaving dear old AHS. We present this year to you in black and white (and green too) — The 1952 INDIAN.

With the return of school daze, 2300 young Andersonians put aside the thoughts of their vacation adventures and settled down to the nearly forgotten routine of classes and homework Students waited in long lines for new books and traded used ones After several weeks of summer drills, the football and cross country squads opened their seasons victoriously.

October.

Homecoming Was October Theme; Carol Deaver Crowned Queen

Many AHS'ers completed their New Year's celebration at Kokomo where the Indians competed in the big 4 Tourney. Twenty-two 4A's graduated and a new semester began. With the opening of this new semester came the expected attack upon the locker office.

February .

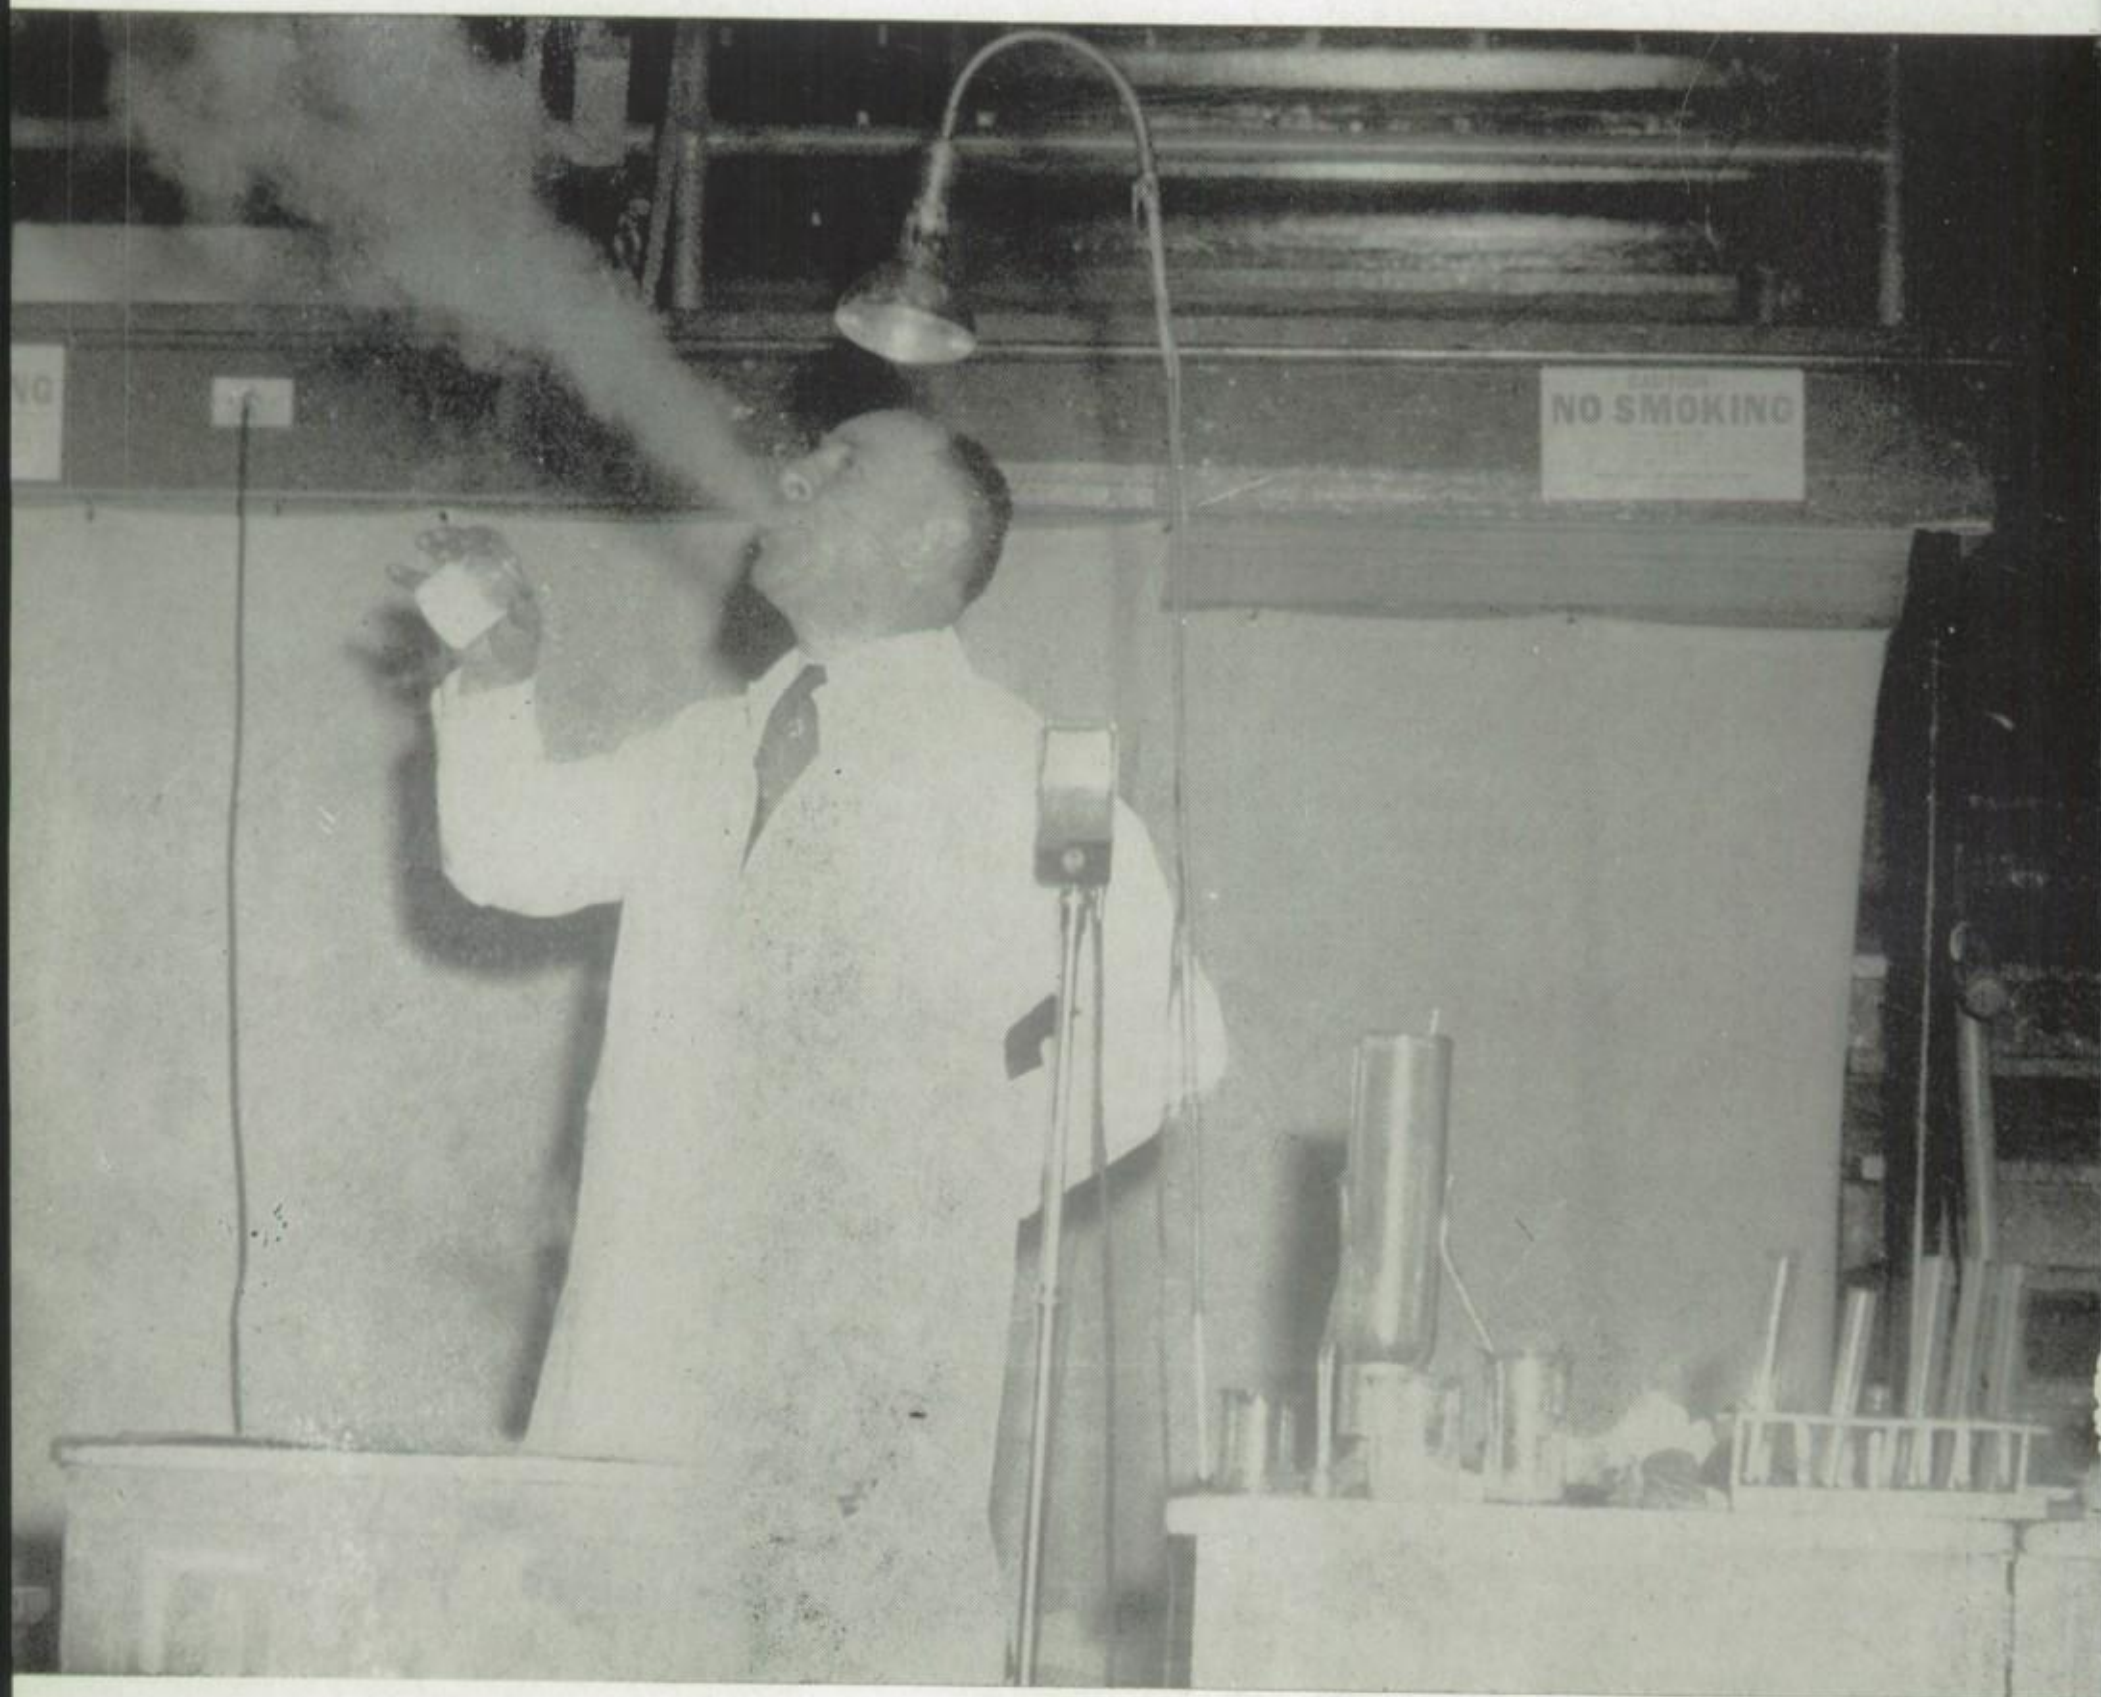

Indians Were Sectional Champs But Lost To Tech In Regional

Tourney time again; the Indians took the Sectional only to lose by one point to Technical of Indianapolis in Regional play. Tech went on to be State runner-ups The Indians' successes were due, in many respects, to the whole-hearted backing of the student body The girls of the G. A. A. weren't to be denied; they rang up quite a victory string on the hardwood Aside from basketball, the band convocation was an exceptional musical treat.

March .

CAROL MEISER

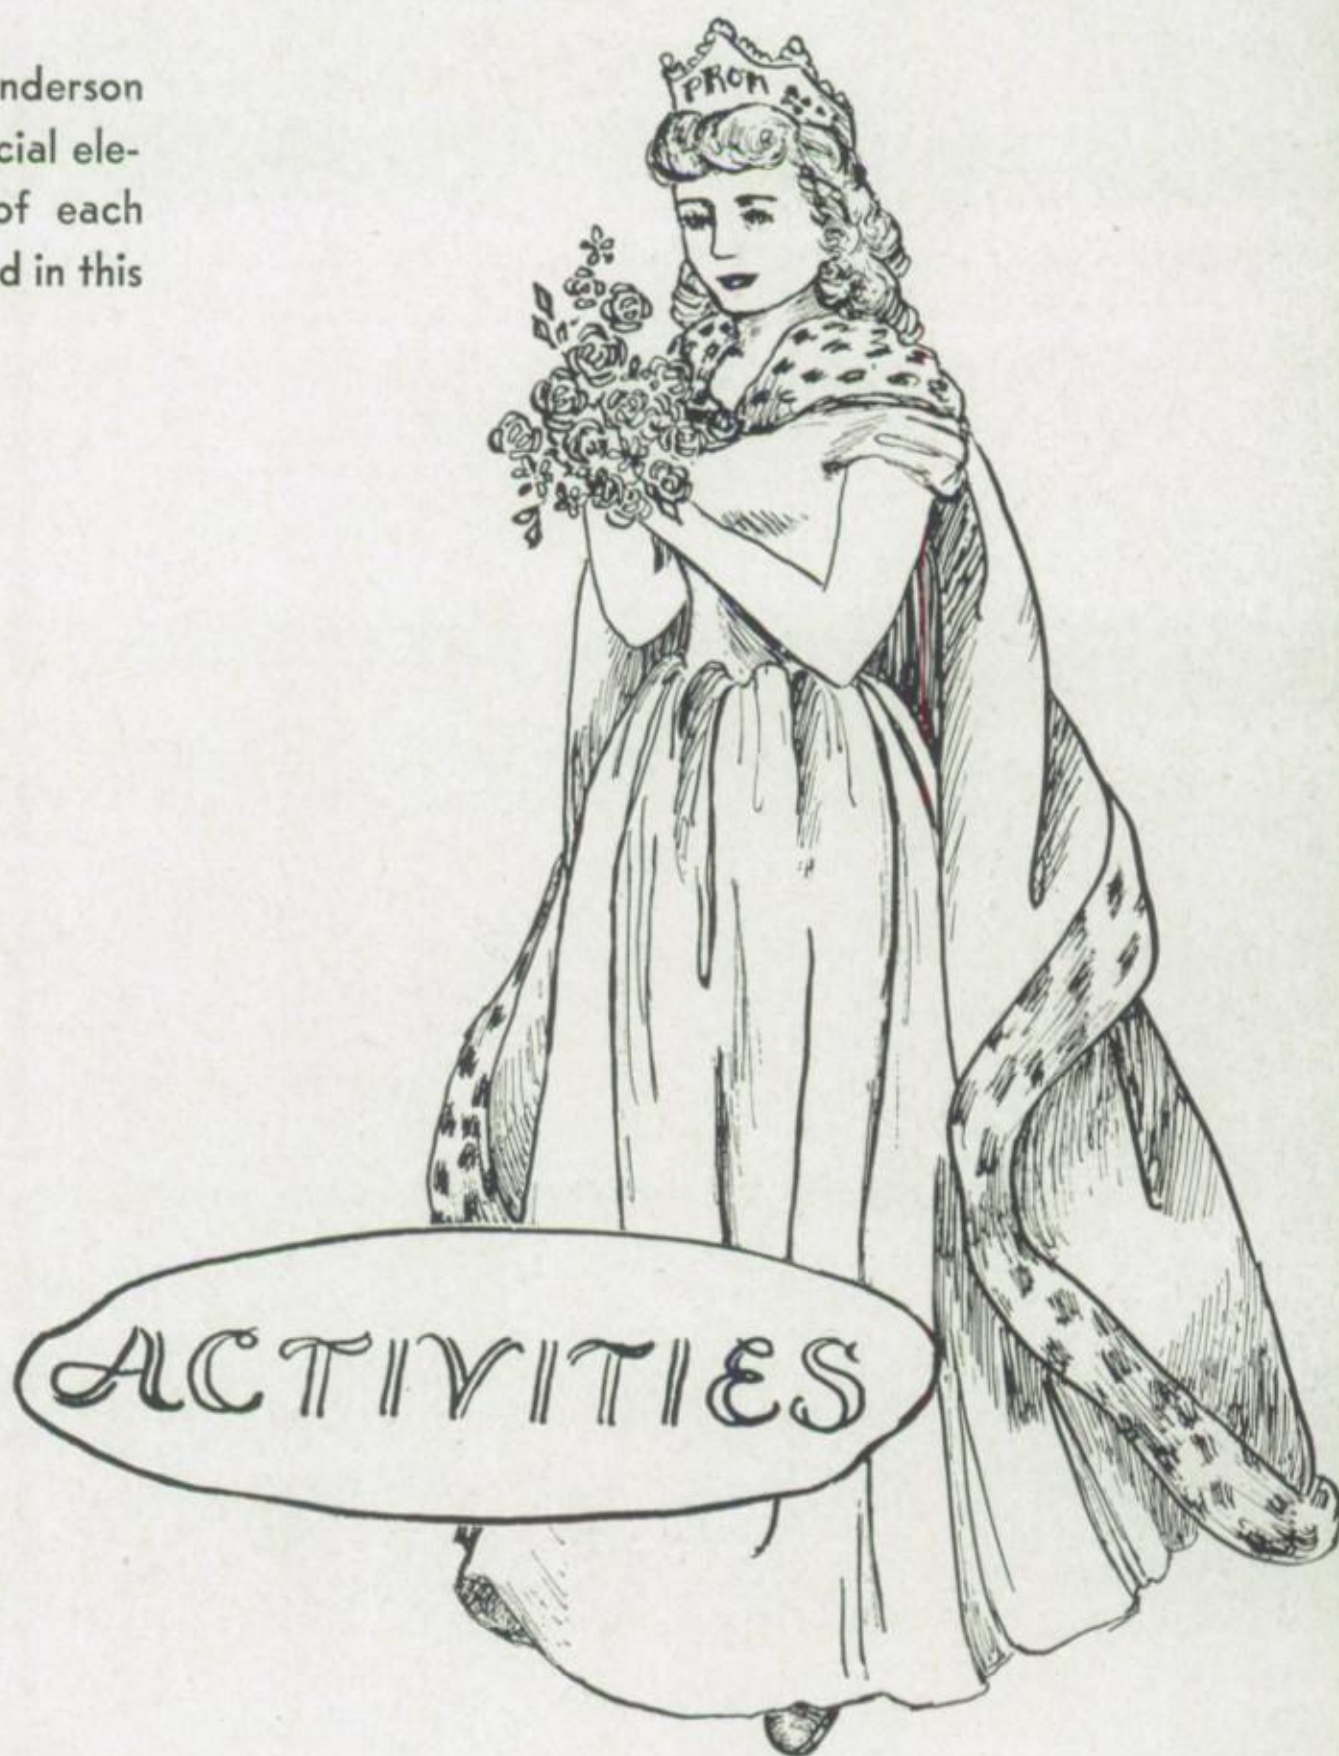

Bon Voyage--- Theme Of Prom; Farwell To Seniors

Students had looked forward to the Junior-Senior Prom for months, and with good reason. The junior boys selected Carol Meiser Queen, Marilyn Stow and Joan Diggs were Carol's attendants. Barney Rapp's music put everyone in the mood for dancing. . . . For seniors this was the beginning of Senior Week---or the beginning of the end of a never-to-be-forgotten career at AHS.

The clubs affiliated with Anderson High School provided the social element in the school career of each AHS'er. Their part is recorded in this section of

G. E. Ebbertt, principal, swears in new Student Council members.

A Junior House of Representatives? No, but we might rightly think this of our Student Council, for it is the governing body of the school. Each year a representative is chosen from the home-rooms with the exception of the IB's. (This year the council functioned under the leadership of Sue Lisby, president; Carol Smith, vice president; Kay McCarty, secretary; Con Sanders, treasurer; Neel McCullough, parliamentarian; Mrs. Hughes and Mr. Early, sponsors.)

Dances

As our fall sports drew to a close, Student Council sponsored the annual Fall Wind-Up in honor of the cross country and football teams. The coronation of Sara Nobury, the new Fall Wind-Up Queen, was at 11:00, the traditional crowning hour. Her attendants were Marilyn Stow and Patsy Myers.

This year's Sweetheart Ball, sponsored by DeMolay, was once again a huge success. The dance, which was held at the Eagle's Ballroom, was anticipated by all as one of the largest semi-formal affairs of the year. From a list of lovely girls nominated by various school clubs, Sandy Ziegler was chosen to rule as the new Sweetheart Ball Queen. Largely responsible for the success of the evening was the music of Ronnie Eastman and his band.

This is a typical scene of the 1952 edition of harmony at A H S; the orchestra members under the direction of Thomas Clem are preparing for their annual spring convo. The guys and gals of the flats and sharps department provided the background music for many of the major events of the year including the Choral Club operetta, the senior class play, and numerous other events.

Music Informals

Queens

Two of AHS' beauties, Sara Norbury and Sandy Ziegler, were crowned Queens at the Fall Wind-up and DeMolay Sweetheart Ball. In addition to Sara as Queen, Marilyn Stow and Patsy Myers were chosen attendants.

Coeducational music at its best ---- that was the goal of this year's Mixed Choir which was directed by Miss Mary Ruth Palmer. The remainder of the music department was composed of the Band, the Boys and Girls Glee Clubs, Girls Concert Choir, and Choral and Madrigal Clubs. Miss Mary Ruth Palmer, Thomas Clem, and Richard Recenberger are the directors of these groups.

Madrigal Club

The most select music group at school is Madrigal Club which is composed of twelve well-trained voices. Members are chosen from Choral Club on the basis of their outstanding musical ability.

Band

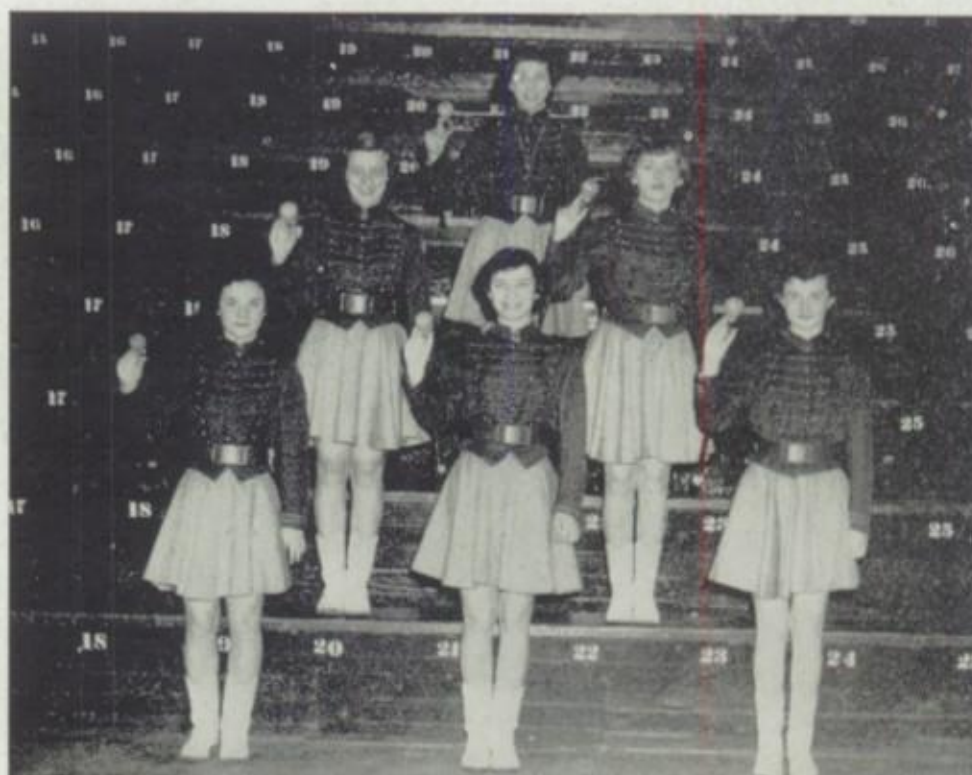

Typical scene with the band members and their director, Richard Rencenberger.

What would a convo, pep session, or basketball game be without the high school band? Besides playing for these time-consuming activities, the band and their director, Richard Rencenberger, find time to march in parades, give concerts at other schools, and put on their annual program at Delco Remy.

Playing for the high school Christmas program and the senior class play are just two of the many activities that members of the orchestra took part in. They also played at P. T. A. meetings, luncheon clubs, fish fries, and numerous other events.

Last fall the orchestra sent several students to the All-State Orchestra, and this spring several members were invited to participate in a festival sponsored by Manchester College and Anderson College. The orchestra played under the direction of Thomas Clem.

Carrying on the proud tradition of the Anderson Indians was the job of the athletic department. Their successes are recorded in this section of

Running all opposition into the ground, the Indians captured their sixth consecutive state championship, with Gene Fox, Indian senior captured the individual first place honors.

The Tribe captured all of their dual meets as well as the Old Post Meet at Vincennes and the North Central title at Marion.

Fox and Bob Vickers led the Warriors throughout the year. Vickers romped home in first place six times including firsts in the Old Post Meet and the N.C.C. championship. Fox led the field to the tape in five meets. Fox's last two victories came in the sectional and state meets.

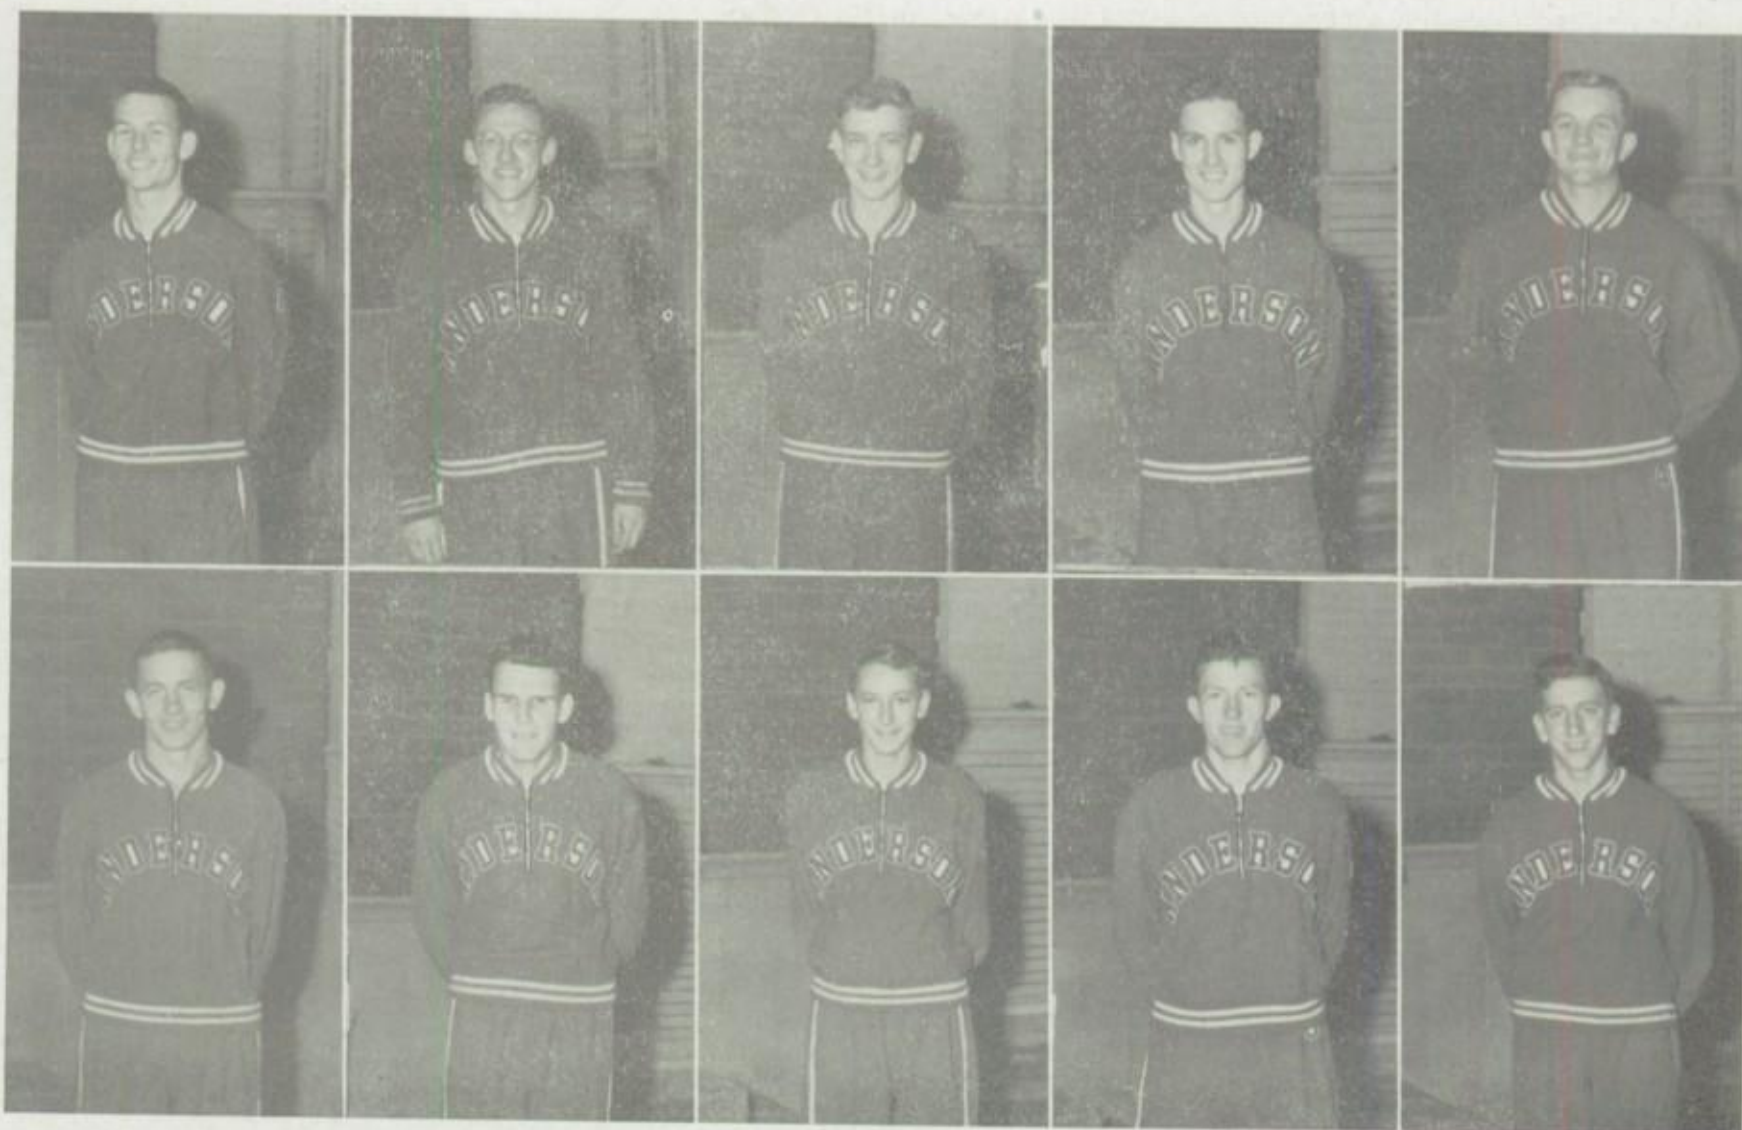

The Indians were never hard pressed during the season with Tech of Indianapolis coming closest to stopping the Tribe when the Braves repulsed them, 20 to 41.

The Braves ran roughshod over six opponents by turning in perfect scores over Marion, Middletown, Howe, Burris of Muncie, Richmond and Culver.

At the end of the year, Gene Fox was elected honorary captain. Bob Vickers and Don Hunt were the only other men on the team that will be lost by graduation this year.

Defeating Muncie's Bearcats in the final game of the season terminated what Anderson fans considered a successful year. Winding up the season, the Indians had defeated Delphi, Royerton, and Muncie and tied a highly touted Logansport team. Coach James Carter was highly pleased at the showing of his boys, who, though inexperienced and often outweighed, were always giving the game and their opponents everything they had.

Dave Nicholson and Bob Chadd, seniors, were honored by their teammates, who chose them as honorary co-captains for the year.

The Indians opened the campaign at Connersville, but the heavier Spartans scored a touchdown in the opening minutes of play. The two teams pushed each other up and down the field the rest of the game, and the Indians came out on the short end of a 6 to 0 score.

Next the Tribe entertained the Richmond Red Devils at Denny Field, but Jim Peters, eventually the leading scorer in Indiana high school football this year, broke away for four first period scores as the Braves suffered a 63 to 6 shellacking.

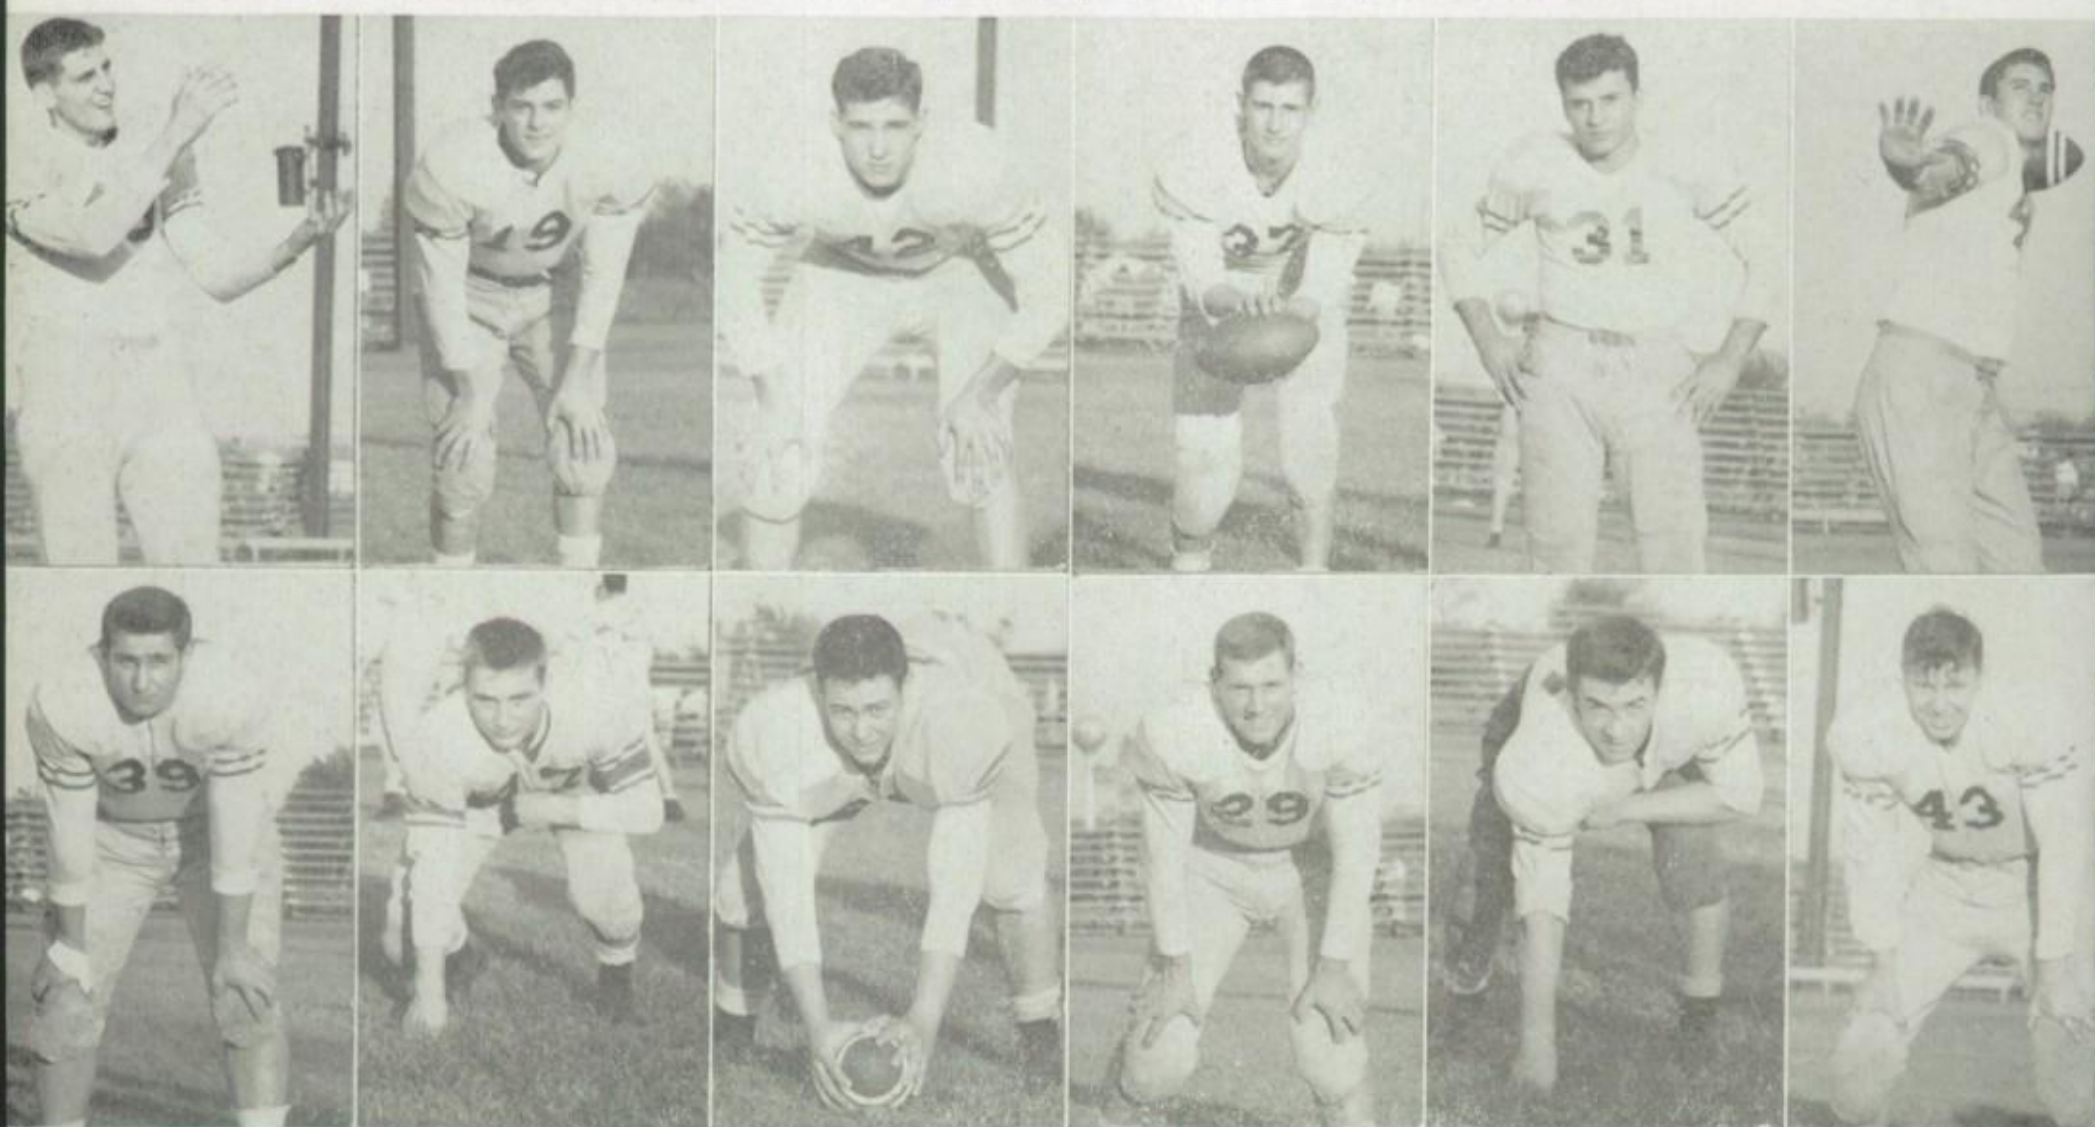

Again the Indians hit the road, this time to Tech of Indianapolis. The Tribe showed much improvement in their tackling and blocking but the Green Wave had too much power and depth as the Braves dropped a 33 to 6 decision.

The Elwood Panthers closed with a rush and scored 3 touchdowns in the last two minutes of play to defeat the Carter-men, 19 to 14, and hand the Tribe their fourth straight defeat.

However against Delphi, Lady Luck smiled on the Braves. Six Indians scored one touchdown apiece as the Tribe downed a good Delphi eleven. The Indians played their best game of the year to date in earning their first victory of the campaign, 41 to 24.

Anderson's first home coming game could

be termed a great success. The Indians were given a great lift by the 5000 fans and enumerable and colorful floats. The Tribe responded by tying a hither-to undefeated Logansport grid machine, 13 to 13, for a great moral victory.

The team's exuberance was short lived as a powerful Kokomo team dampened the Braves' spirits with a 46 to 12 reversal on the Kats' field.

Howe of Indianapolis then handed the men of Coach Carter a 20 to 13 set back in a well

played game in the Capital City.

Coming home for the last two games of the season, the Indians smeared a hapless Royerton squad to the tune of 43 to 2 in a sudden burst of scoring power.

Ending the year, the Indians virtually ran the Muncie Bearcats off the field in knocking them off, 19 to 12.

The Indians ended the campaign with a 3-won, 6-lost, and 1-tied record and a promising outlook for a better-than-average grid machine next fall.

Bob Gayle Turns Table For Shortridge Man

Fieldhouse Jinx Repeats

Bill Webber and Ann O'Connor

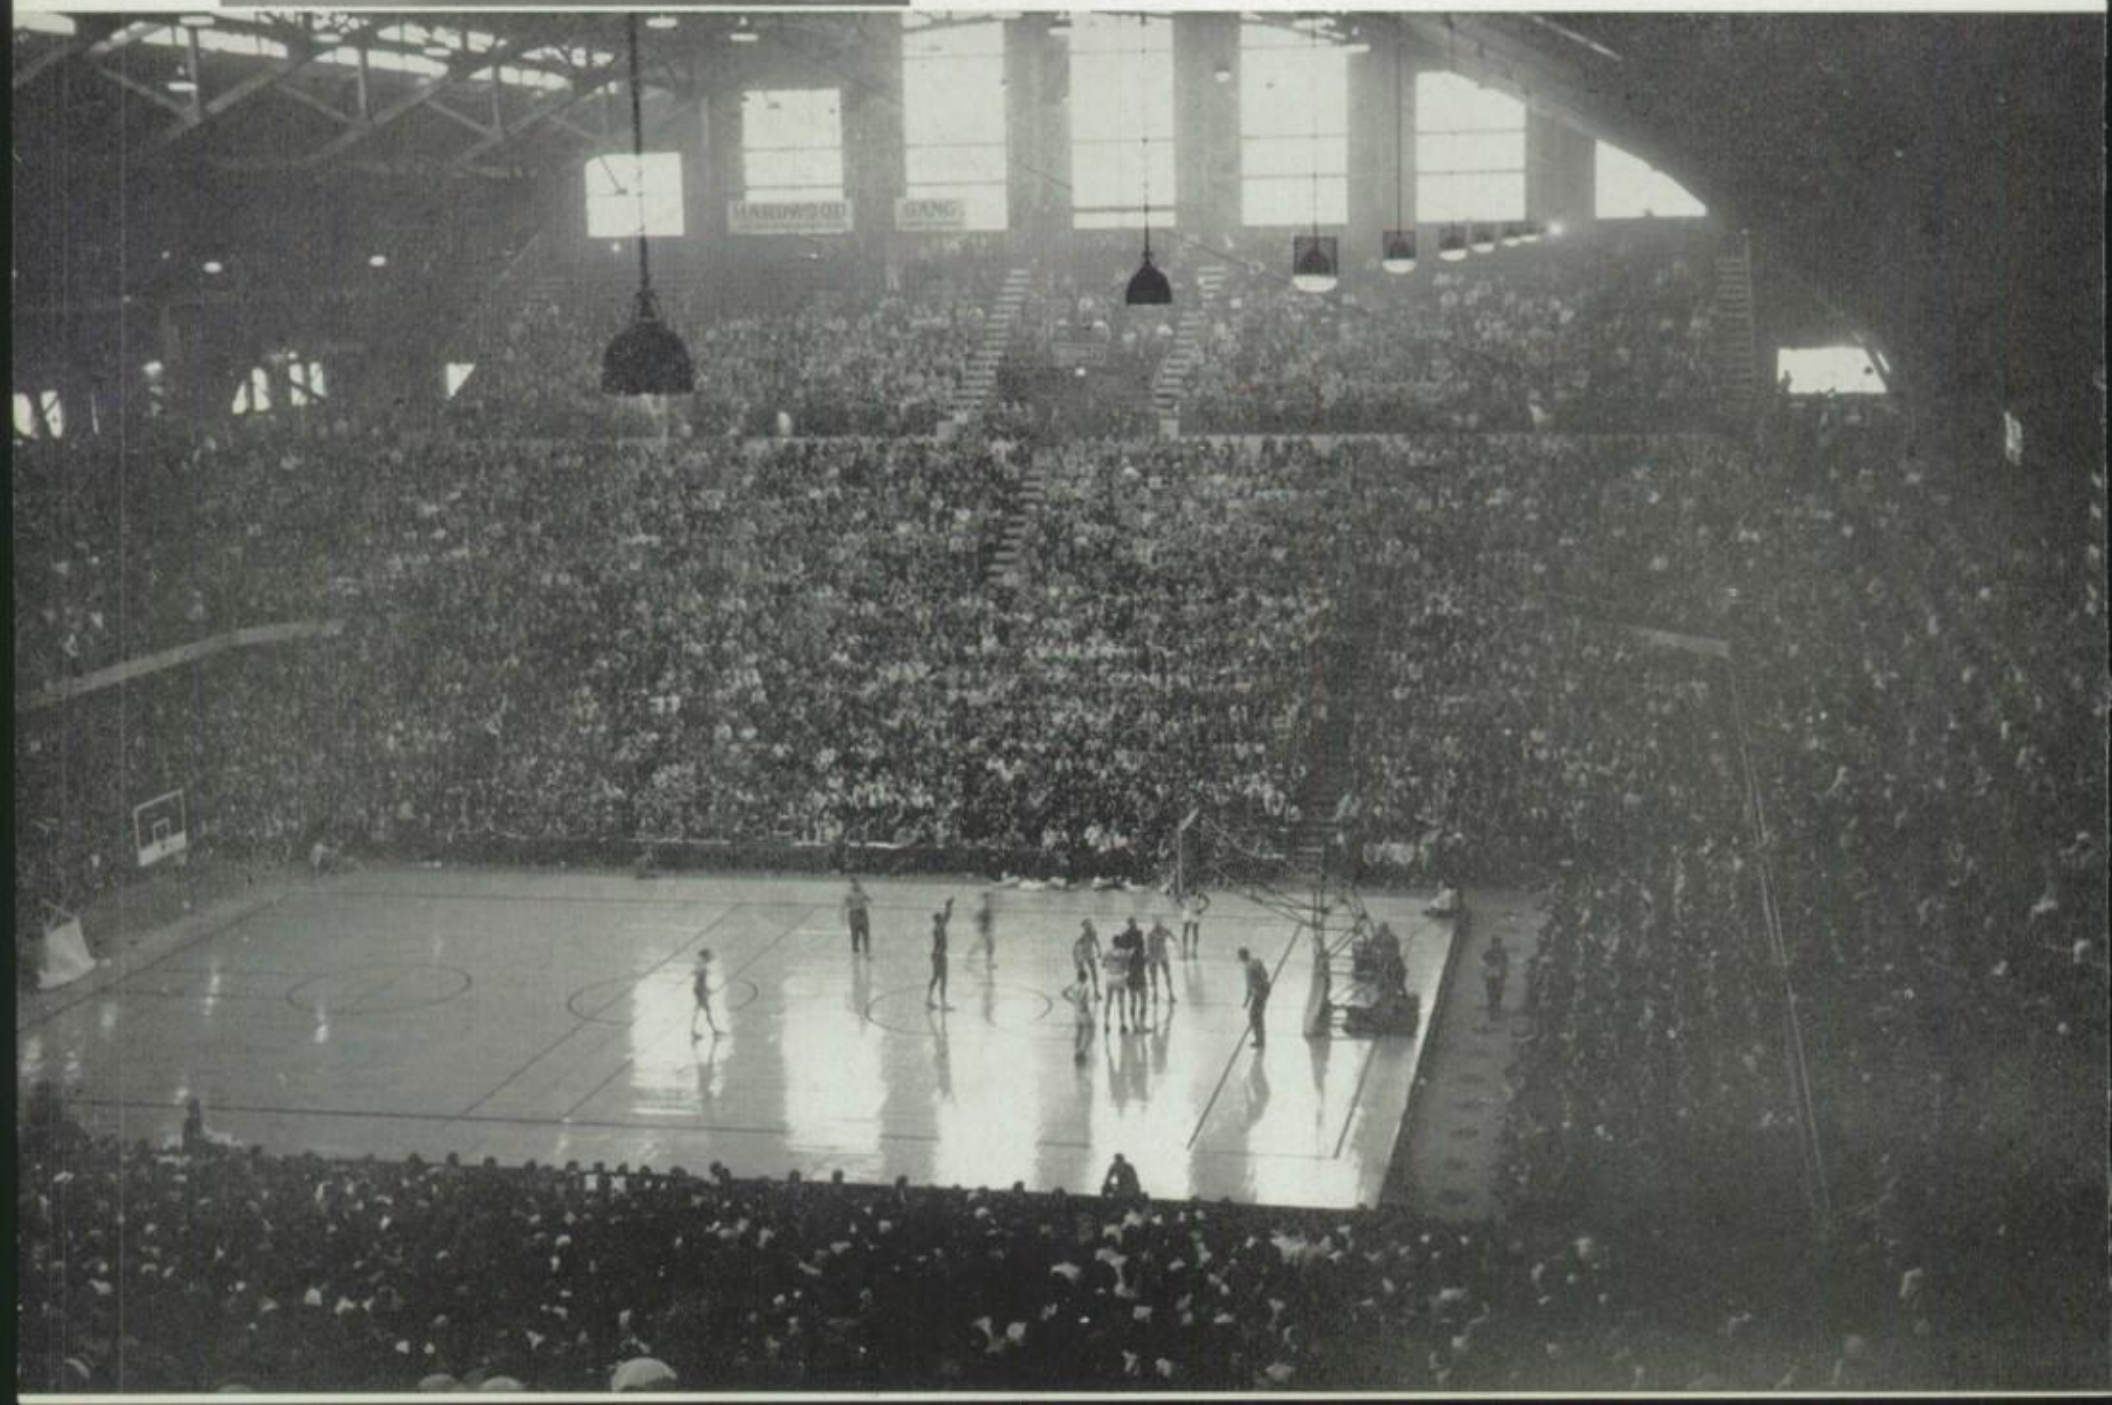

A Butler Fieldhouse jinx of three years standing kept the Indians from advancing to the Semi-finals for a crack at another state championship. The Braves were sidelined by a great Tech of Indianapolis team by one point, 47 to 46. Tech was the eventual runner-up to Muncie Central's champs.

After a mediocre season in which the Tribe split twenty games evenly, they rallied to the call of the hour and disposed of three good quintets composed of Pendleton, Frankton and a highly touted Elwood five. But it wasn't in the cards for the Tribe to go any farther than the Tech-Anderson encounter.

Opening the season the Braves looked impressive in repulsing a Greenfield five that already had played two games before playing the Tribe. The Indians had a well balanced scoring attack with John Clemons leading Anderson with twelve points and enumerable rebounds.

New Castle's redoubtable Trojans were the next victims of the Tribe as the Potter-coached men downed them on the New Castle floor, a feat in it-

self, 55 to 51, with "Chuck" Smith snaring scoring honors with 15 points.

With Herb Hood and Clemons hitting for 17 markers apiece, Jeff of Lafayette fell victim to the Indians in the Wigwam, 68 to 67.

Marion's Giants closed with a rush to inflict the first loss of the season on the Potter-men, 58 to 54, and start the Tribe on a five game losing streak. Clemons and J. D. Alder led Anderson's bid with 15 points each.

Playing their second game on the road in two nights the Braves dropped a 62 to 53 decision to a hot Central of Fort Wayne crew. Hood Tallied 16 markers as the rest of the Tribe had difficulty in cracking the Tiger's zone defense.

(continued on page 76)

Jim Early, Walt Manifold and Hank Potter

New Albany's Bulldogs had won 39 straight on their home floor and the Tribe, after riding 150 miles, were no match for the blistering fast break and smooth ball-handling of the Ohoi River boys as they became victim number 40, 72 to 53. Numerous times the Bulldogs had two men going under wide open to score. Hood was the only Anderson man to be effective as he marked up 23 points.

Muncie Central's eventual state champs became the fourth team in a row to knock off the Indians when the Magic City crew chalked up a 49 to 42 victory over the discouraged Tribe. Alder topped the attack with 17 tallies.

Starting the new year off on the wrong foot, the Braves fell victims to the Kokomo Wildcats' powerhouse, 65 to 45, in the afternoon game of the "Big Four Tourney" as Alder again led a balanced scoring attack

with 14 points.

The night game of the tourney was a complete reversal of the afternoon encounter. Hood's 14 points led the Indians to a 56 to 37 conquest of New Castle's Trojans to capture third place honors and break the five game losing streak.

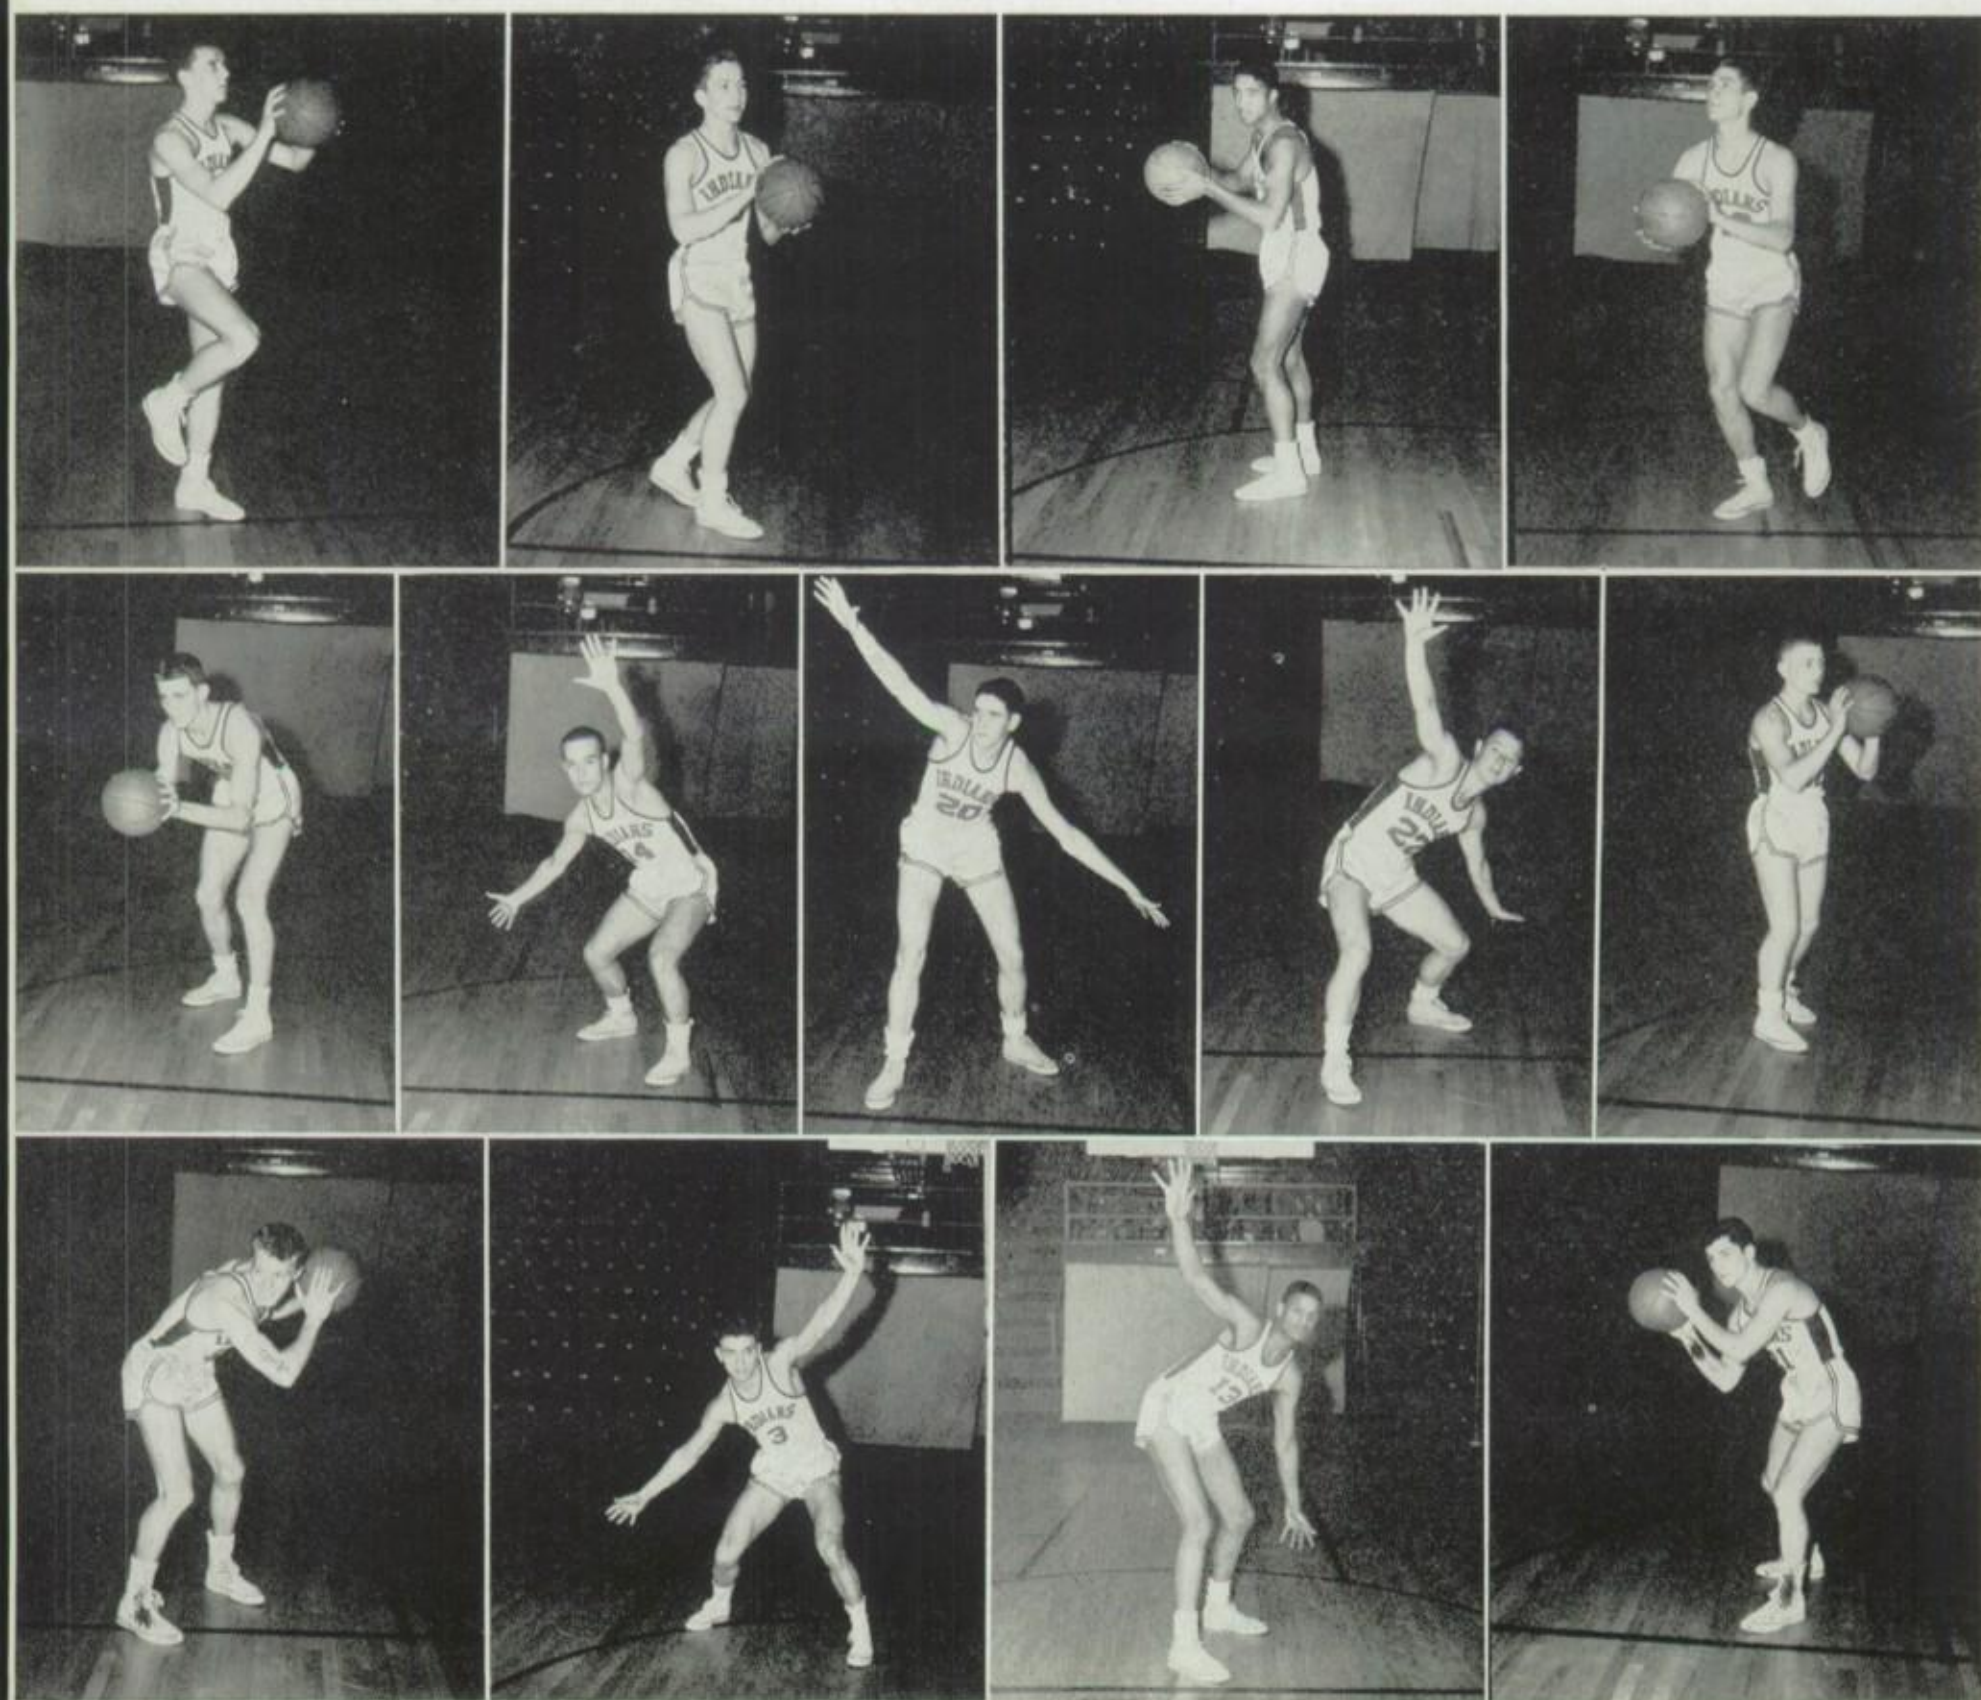

Coming home to play their first home game in over a month, the Tribe was a completely new team. Showing rebounding and scoring ability they hadn't shown all year, and sparked by Hood's 28 points, the men of Coach Potter trounced the Marion Giants, 83 to 50.

A highly under-rated Shelbyville quintet gave the Braves trouble when they threw a tight zone-defense against them, but the Indians emerged with a 45 to 37 victory when the Golden Bears stalled away their own game. Alder topped Anderson scoring with

13 markers.

Smith stuffed 25 markers through the hamper, but his efforts went for naught as Tech of Indianapolis rolled to a 71 to 56 victory over the Indians at Tech.

Returning home to the Wigwam proved to be of no help for the Braves as they dropped their first game on their home floor to Muncie's Bearcats for their second defeat of the year to the McCreary-coached men. Smith again led Anderson by scoring 15 points as the Tribe went down in defeat, 50 to 46.

Lawrenceburg's Tigers were added to the list of Indian victims to even the ledger at seven wins and seven losses. The Tigers threw a smooth passing attack against the Braves but the superior height of the Indians and their balanced scoring topped by Haynes Harrington's 12 points was too much as the Potter-men took a 64 to 50 decision.

Still on the up-swing, the Tribe handed the Frankfort Hot Dogs a 56 to 47 reversal. Smith scored 20 markers for individual honors against the zone defense of the Hot Dogs.

Central of South Bend became the second quintet to hand the Indians a setback on their own floor by tripping the Tribe, 73 to 66. Despite good rebounding and exceptional shooting, led by Hood's 14 tallies, the Bears held on to a slim advantage the last three minutes of play and handed the Braves their eighth set-

After a torrid first half in which the Indians back against eight wins.

outscored the Kokomo 'Kats by three points the Tribe had a frigid second half and the men from Kokomo took the measure of the Braves, 77 to 61. Hood topped local scoring with 17 points.

With a new scoring threat found in Roger Whitehead, who tallied 24 markers, the Tribe knocked off a stubborn Logansport crew 67 to 57 although the final outcome was never in doubt after the first three minutes of play.

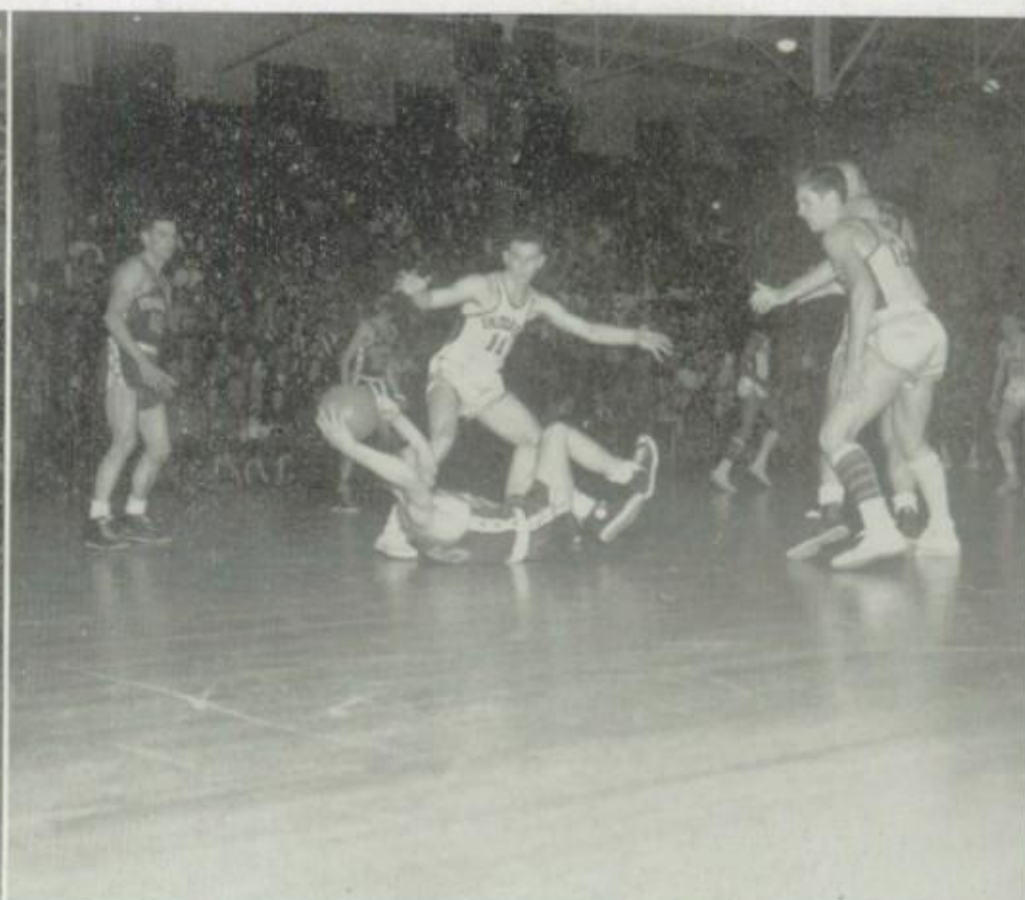

Winding up the regular season games on the home floor the Indians bowled over the New Castle Trojans for the third time of the year and the sixth time in two years. Hood led the way with his second 28 point performance of the campaign as the Potter-men wound up on the victory end of a 77 to 67 contest.

Traveling to Richmond for the final game of the season, the Indians ran into a stone wall of Red Devils and came out on the short end of a 60 to 45 score. Alder was the only Anderson player scoring in the double digits as he racked up 12 points. It was the Indians' sixth conference defeat against six wins and their tenth overall defeat as compared to ten victories for the regular campaign.

Opening the sectional, the Indians, playing without the services of Senior Frank Rousey who underwent an operation, downed a fight-

ing Pendleton Irish outfit 44 to 33 as the Irish tried to make the Tribe play a slow type ball. However the Braves broke away in the final period and put the game on ice. Alder's 15 points spearheaded the Anderson attack.

Frankton's Eagles proved to be a stronger obstacle in the Tribe's path than was anticipated, but the Indians, sparked by Hood's 26 tallies, downed the Frankton quintet, 59 to 51. "Chuck" Smith, Indian Senior, suffered a badly sprained ankle in the closing minutes of play and was lost to the team for the rest of the season.

Harrington, started in the place of the injured Smith, played the best game of his high school career as he led the Tribe to a 44 to 38 victory over a highly regarded Elwood outfit. Harrington's 12 markers and his control of both backboards inspired the Indians to their 27th sectional crown.

Working the ball better than they had all year the Tribe played their hearts out in the opening game of the Indianapolis Regional, but the cards were stacked against them and the Green Wave of Tech emerged victorious 47 to 46. Clemons with 13 and Alder with 12 points led the Indians' scoring thrust.

J.D. Alder, Herb Hood, "Chuck" Smith,

Vic Peck, John Clemons, Haynes Harrington, and Frank Rousey, all seniors, are lost by graduation. Returning to form the nucleus for next year's squad are Roger Whitehead, Jerry Banker, Joe Campbell, Dick Keithley, Don Granger, and Pete Dearing.

Herb Hood and J.D. Alder were honored at the end of the season by their teammates who chose them as honorary co-captains for the year.

Linksmen Garner North Central Conference Crown

Finishing eight strokes ahead of second place Tech, the Tribe captured the North Central Conference golf diadem with a total of 316 strokes.

Joe Campbell placed second with a 75; Don Granger, fourth, with a 79; Merlin Tyler, fifth, with an 80; Ivan Geiger, tenth, with an 83.

Campbell, beaten only once during the year, consistently fired in the low seventies, Granger, playing his usual calm game, shot around 75 all season long to put pressure on his team mate. Geiger and Jerry Higginbotham averaged in the low 80's to round out a well-balanced foursome.

Climaxing a successful season, the Indian thinlyclads qualified 17 men in individual events and both relay teams to compete in the Regional at Tech of Indianapolis. Because of the publication deadline, it was impossible to publish how the Indians fared.

During the season, the Tribe competed in four dual meets, two relays, one invitational, the N.C.C. championship, and the state meet. Opening the year, the Indians bumped off a good Richmond crew by the score of 56 2-3 to 50 1-3. Next, Tech's Green Wave fell victims of the Braves, 59 1-2 to 49 1-2. The

Muncie Relays' Crown went to Kokomo, who edged the Tribe, 44 to 41, when the Anderson mile relay team was disqualified after they had won the event.

The Marion Giants felt the wrath of the thinlies as the Braves delivered a 61 1-2 to 47 1-2 conquest to "The Little Napoleon of Track," Coach Carl Bonge.

The Kokomo Relays rolled around only to find the Tribe short handed because of illness and injuries. Nevertheless they placed fourth

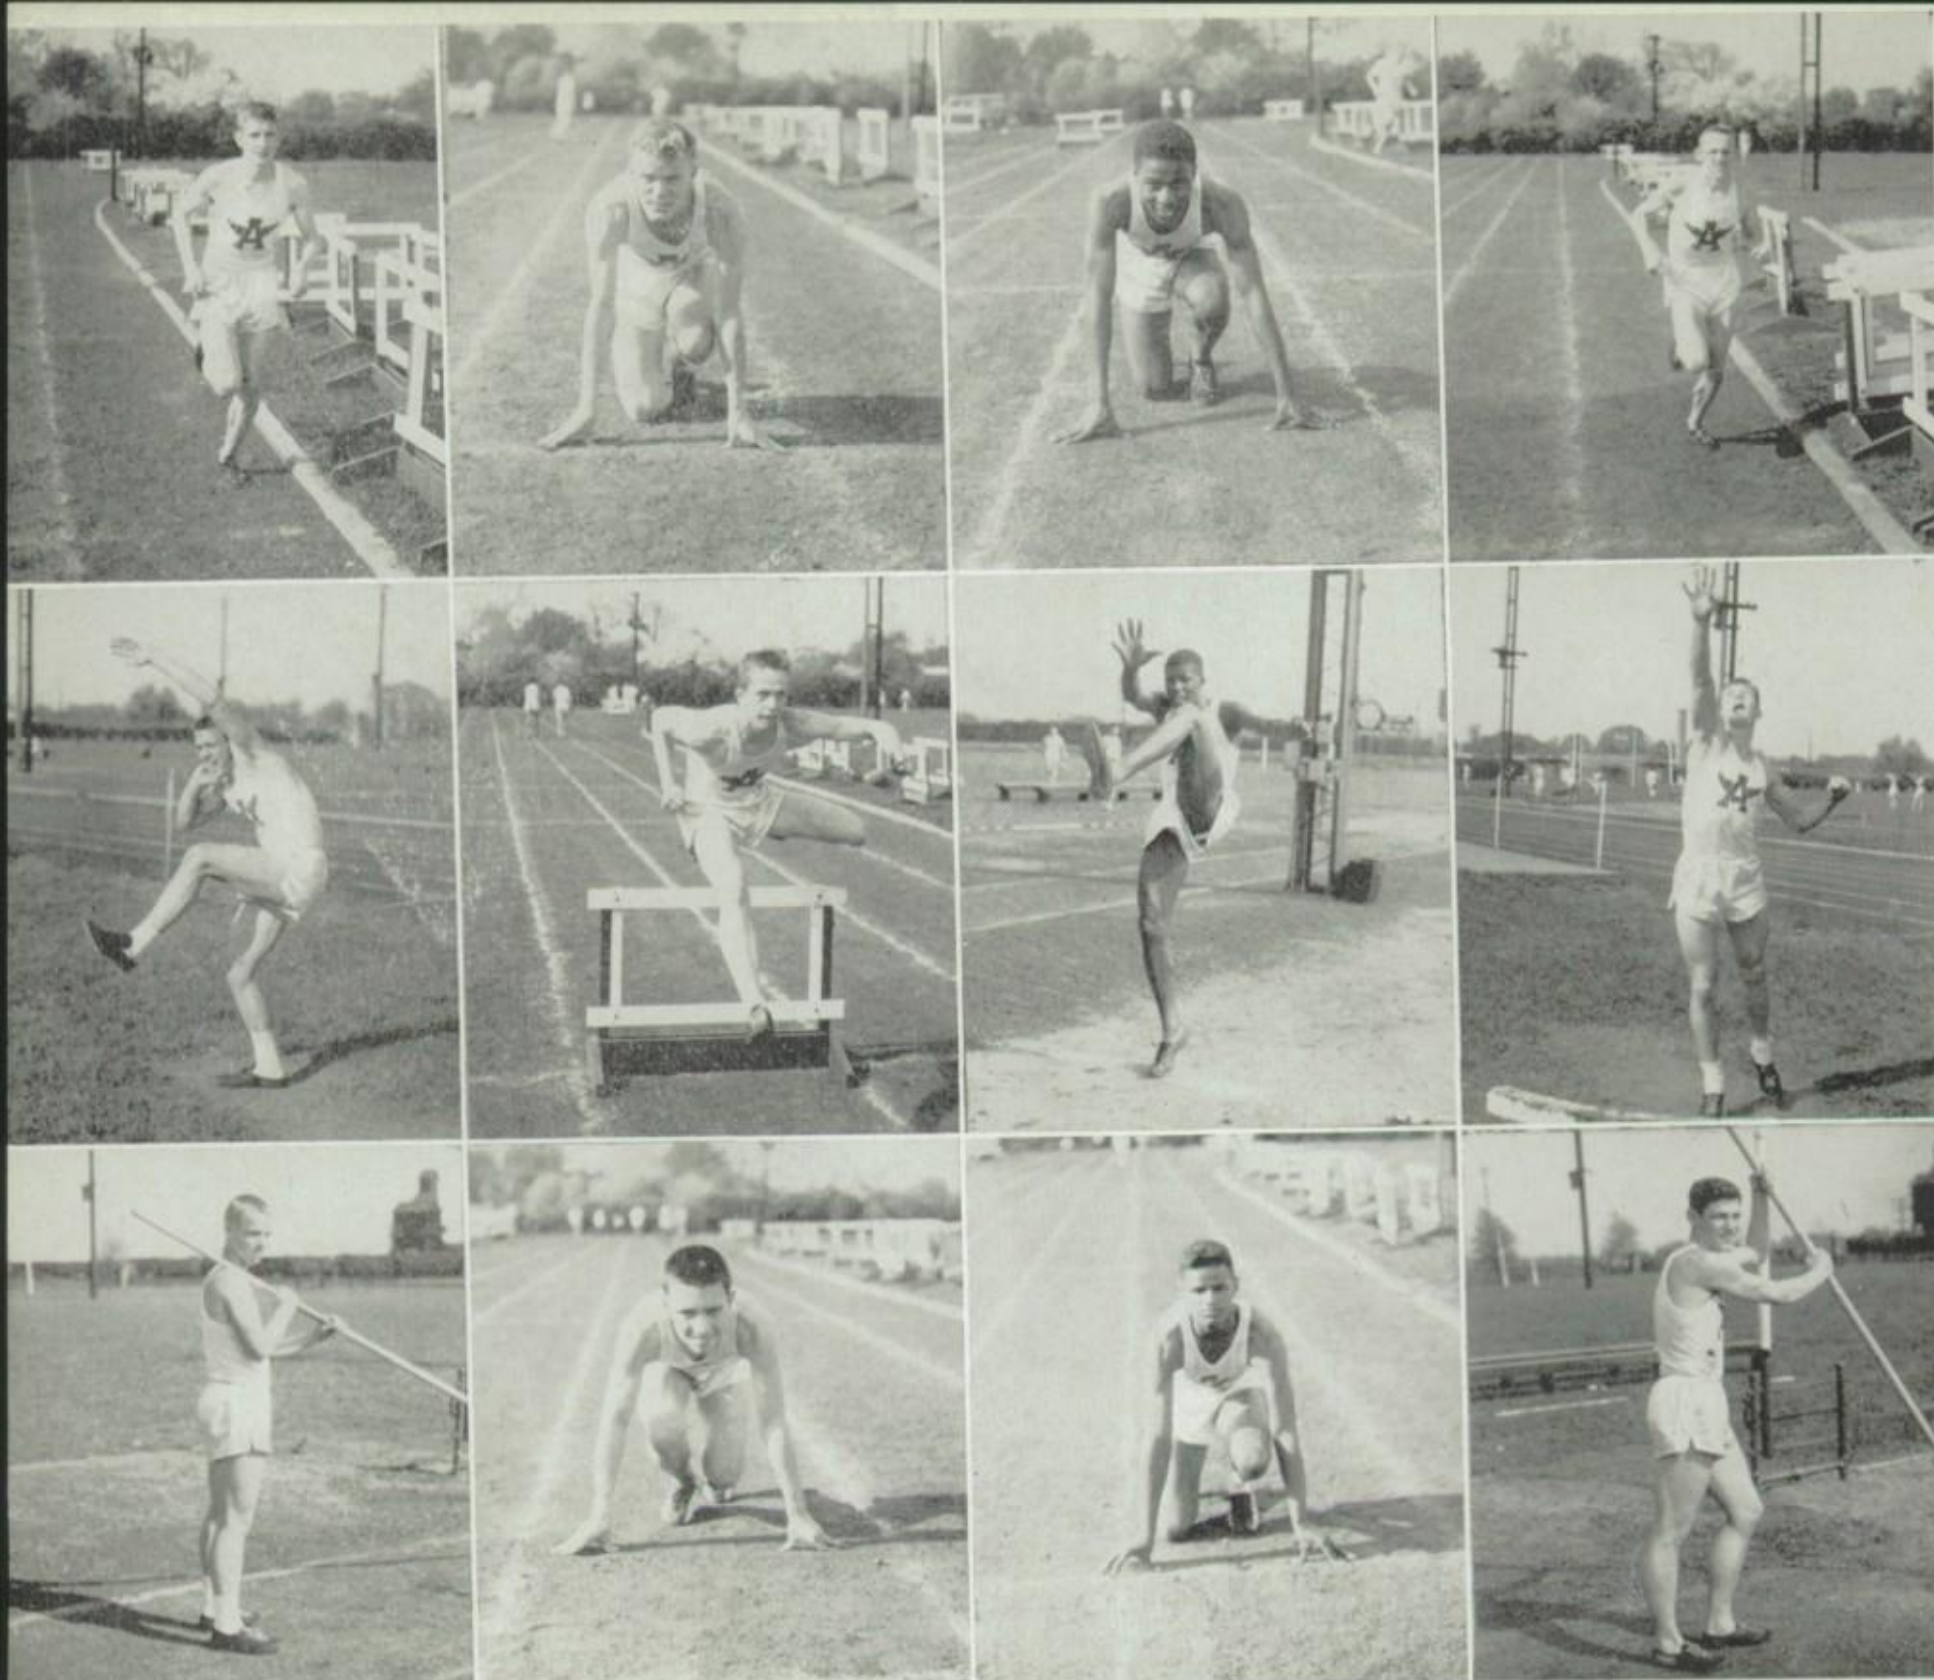

with 28 points behind Gary Roosevelt's first place aggregate of 53 1-2 markers. Returning to Kokomo the following week, the thinlies dropped the only dual meet they lost all year, to the experienced Wildcats, 59 to 50.

In the North Central Conference the Indians placed second to Kokomo, 58 1-3 to 43.

As sectional time rolled around, the Tribe bore down harder to attain a peak performance as they rolled up 66 points to second place Burris' 27.

Tennis Squad Notches Formidable Year

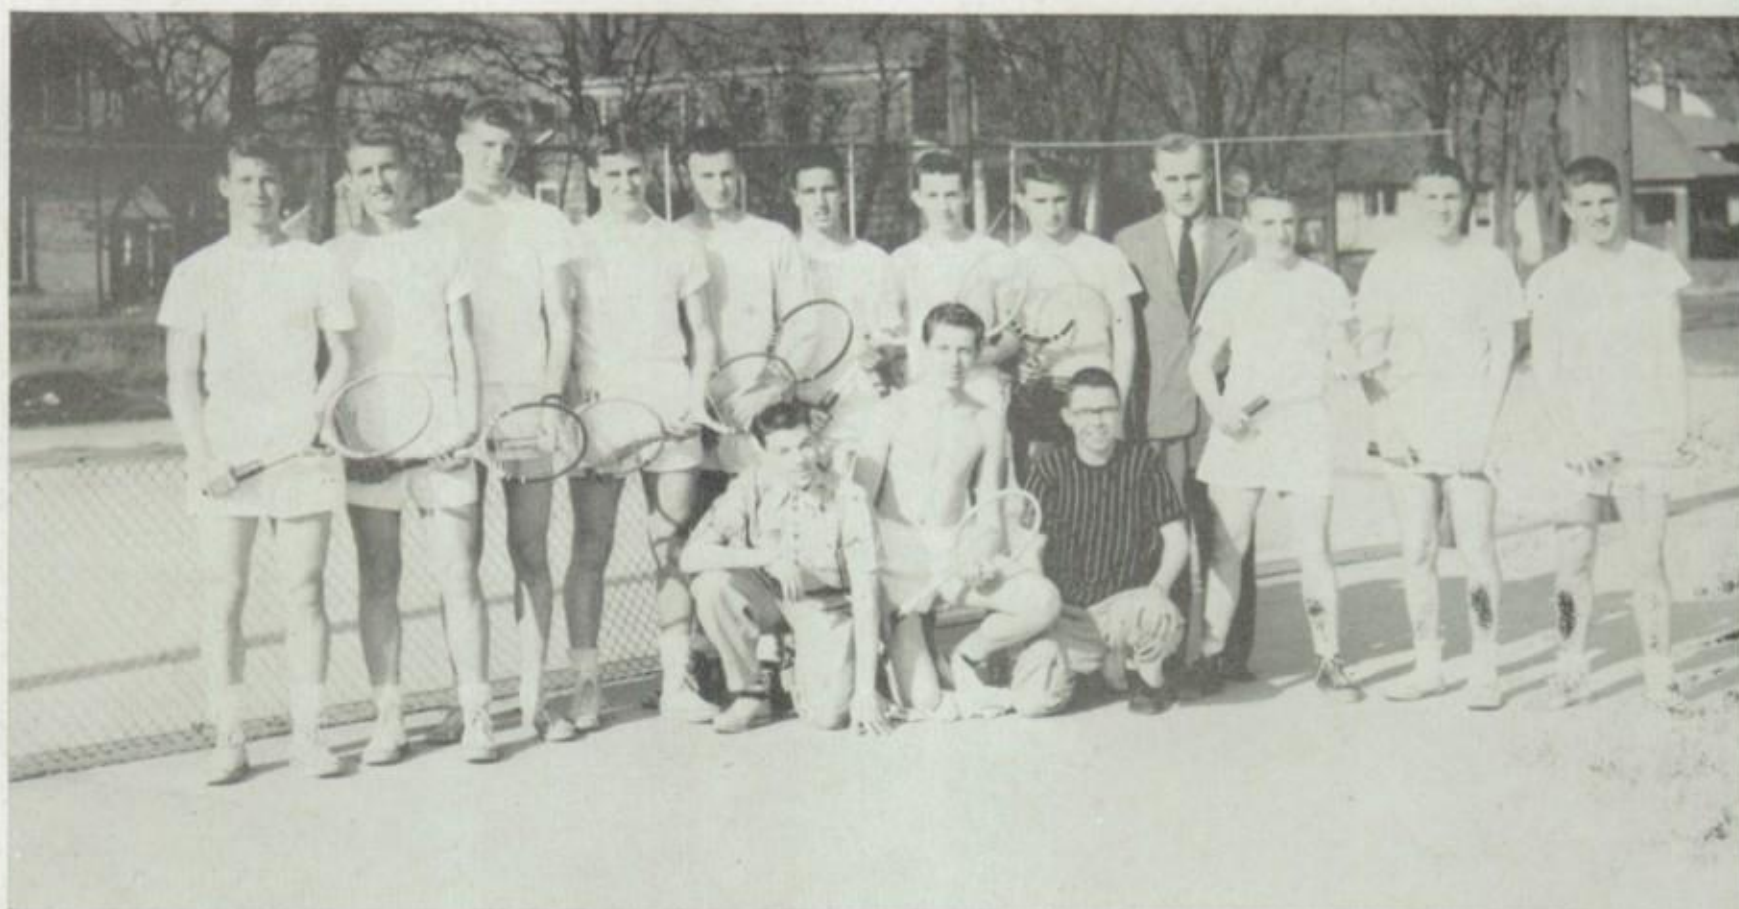

Pete Dearing returns a hard smash.

With the season over half completed, Coach Dane Pugh's tennis squad held a 4 won, 2 lost record. They had 5 matches remaining, all against strong conference teams.

The youthful Indians opened the season with a 6 to 1 victory over Broad Ripple's Rockets, but Shortridge's Blue Devils turned the tables on the Braves in their second match by the same score. The Tribe then handed Burris of Muncie a 5 to 2 reversal, but Central of Muncie returned the compliment by downing the Indians, 4 to 3. Marion and Kokomo then fell victims of the Braves by scores of 6 to 1 and 7 to 0. At the same time of publication, the Braves had matches remaining with Richmond, Logansport, Tech, Frankfort, and Lafayette.

Indian Pastimers Pummel Foes Behind Strong Hitting

Behind a consistent barrage of base hits, the Indian baseball team notched victories in six out of their seven contests. Combined with the heavy hitting was the fine pitching of the Tribe's mound corps.

Chuck Smith, Wally Smith, and George Thanas provided the bulk of the victories with

substantial relief work by Bill Isaacs and Dave Harris.

The Braves opened the season at Memorial Field against the Hartford City Airdales. After a close tussel throughout the game, the Indians scored in the last half of the seventh inning to take the contest.

Bulk Of Squad To Be Lost By Graduation

Tech and big Joe Sexson traveled to Memorial next, but revenge was sweet as the Tribe humiliated the Green Wave with a 14 to 4 lacing. Traveling to Hartford City for another encounter with the Airedales, Coach Potter and his men turned back the Airedales, in a well-played game, 5 to 2. Jeff of Lafayette proved to be a very unobliging host as they turned back the Braves 6 to 3, for the Indian's first and only setback.

Richmond entertained the Tribe in their next outing and put up a good scrap before the local pastimers emerged from the con-

test with a 7 to 6 triumph.

Returning their Logansport "cousins" the compliment the Indians belted the Berries' pitchers for a 13 to 4 conquest.

New Castle's Trojans, playing about the same calibre of ball that Logansport did, fell to the wayside, 11 to 3, for the Tribe's sixth triumph in seven games.

Lost through graduation this year are eight regulars. They are Frank Rousey, Sonny Hunt, Chuck Smith, Jack Kitchen, Dick Spankier, Ronnie Brown, Herb Hood and Dave Nicholson.

Program For Youth Aided By Board, Superintendent

Providing the young people of Anderson with the best possible education is the foundation on which the Anderson School Board bases its work. Aided by A. R. Chadd, superintendent of schools, and Enoch Drumm, coordinator of education, the School Board made many advances during the year of 1952. Most notable among these was the completing of 29th Street School.

The program provided for the Anderson school system is not all book work. Athletics, hobbies, and music are offered to round out a wholesome program.

SCHOOL BOARD, left to right— Miss Gertrude S. Plotner, John A. Jones, Howell G. Vandergrift, Mrs. Geneva Carter, Victor H. Riggs, Jay E. Mitchell, Jack B. Campbell, and A. R. Chadd.

Keeping a school of 2400 running smoothly is a job. This job is handled adequately by the administration composed of Mr. G. E. Ebbertt, principal, Mr. William Hutchison, assistant principal, Mr. H. O. Armstrong, dean of boys, Mrs. Edna Rhyneearson, dean of girls, and Mrs. Marjorie Austin, registrar.

Many and varied are their daily tasks, many small and many large; all are treated with the

same efficiency. It takes much more time than there is in the school day to perform these duties. Many nights, weekends, and vacations are spent in the pursuing of these jobs. They attend conventions and meetings to increase knowledge on the matter of administration.

Working out the school calendar, working on programs for the entire student body, taking note of tardiness and absences, and supervision of the halls and monitors are just some of the well known duties of these busy people. Yet through all their duties these administrators are always present at extracurricular school events. They always maintain a cheery attitude of helpfulness. In spite of their busy schedule, they will always take time out to offer a word of advice to a troubled student.

Mrs. Edna Rhyneearson, Dean of Girls

Office Personnel

The job of secretary is very important in the running of Anderson High School. Endless reams of reports and records have to be handled daily. Mrs. Marjorie Austin has charge of the student programs and registration.

Standing, left to right—Mrs. May Norris, Miss Betty Sizelove, Mrs. Barbara McCullough, and (seated) Mrs. Marjorie Austin, Registrar.

Left to right—Mrs. Claire Moser, Nurse, Miss Vonda Price, Librarian, and Mrs. Pauline Dadds, Librarian.

Nurse And Librarians

The job of keeping a library in tip top shape or of protecting the health of the student body certainly is no pushover. The positions of school librarian and school nurse offer a challenge which is adequately met by the nurse and librarians of AHS.

Row I. William Haygood, Chester Pyland, Charles Jackson.
Row II. James Baker, Dallas Wheat, Lester Frazier.

Custodians

Every week is Cleanup Week for these gentlemen. They keep the halls and rooms of the school sparkling besides doing all the odd jobs that arise in a school of 2400. These men always have a cheery smile and a kind word.

Languages

To teach the student how to express himself adequately both orally and in writing is the objective of the language department.

After the first two years of basic grammar and literature, classes in newswriting, speech, dramatics, advanced literature, and grammar can be chosen as a medium of furthering his ability in expressing himself.

Such foreign languages as Spanish, Latin, and French are also taught in the language department. These languages give the student a better understanding of his

own language and give him a broader understanding of other lands, peoples, and customs.

Row I. Mrs. Evelyn Grahame and Mrs. Pauline Dadds.

Row II. Mrs. Edna Whitson and Lee Pursley.

Row VI. David Martyn, Mrs. Virginia Vermillion, Miss Alice Higman, Harry McGoan, Miss Esther Hoskins, and Miss Mary Ethel Thurston.

Not Pictured: Mrs. Ina Crutchfield, Miss Pauline Day, Miss Mary Miller, Lyman J. McClintock.

Social Studies

The social studies teachers were especially active this year in offering students opportunities to see government in action. They supervised field trips to the state legislature, model U. N. Assembly, the local jail, and Pendleton Reformatory.

Besides the required history, civics, and American problems, this department has a varied program of courses. Different courses in geography are offered, such as the one in Pan-American relations.

The annual trip to Washington, D. C.,

provided many students a chance to see our national government at work.

The American Legion Oratorical Contest featured views on subjects regarding social studies.

Row III. Mrs. Ella Goss, Byron Helfrich, Mrs. Mary Kitterman, O. L. Springer, and Clifford Swift.

Trades And Industries

The trades department is well equipped to turn out the future woodworkers, metal craftsmen, printers, and draftsmen of Anderson.

Printing of The X-Ray and Indian are examples of the printshop's work. A full size press and two linotype machines are part of its equipment.

Another part of this department is vocational agriculture. Some of its activities include corn and livestock judging and the learning of better farming methods.

The bulwark of the department is the metal and woodworking shops. Here boys are taught the techniques of craftsmanship. In the auto mechanics shop, the mechanics of tomorrow learn the tricks of the trade.

Row I. Horace Wilson, and Gordon Julius.

Row II. Joseph Dye and William James.

Row III. Howard Sharpe, Raymond Griffith, Lee Hale, John Garrigus, Herman Hallett, and Jesse Huntzinger.

Row IV. R. Wysong Julius, Dane Pugh, Kenneth Smith, Ray Sherman, Vern Shinn, and Edmund Villars.

Not Pictured: Claude Barner.

Sciences

Scientists and chemists are among the most important men of our defense efforts. Therefore, it is important that we develop people of high caliber in this field to insure our future prosperity.

The science department is divided into three divisions: the biological sciences, the physical sciences, and the science of human relations. Each is equally important.

Physics and chemistry make up the first

section. Biology, botany, and zoology classes compose the second. The third division deals with the study of the human mind and body. Courses offered in this division include psychology, physiology, and family living.

Row I. Jesse Stutsman, B. B. Horton, Mrs. Margaret Doies, Robert McDowell, Howard Eilar, and John Garrigus.

Row II. Howard Armstrong, Keith Hertweck, Douglass Brown, B. R. Stewart, Lowell Lee, and W. Leo Sanders.

Skills

The purpose of these departments is to teach students skills of practical, every-day value, such as the proper method of driving an automobile and sane habits in safety.

The skills learned in the physical education classes emphasize the fit techniques in football, baseball, track, tumbling, and other sports. The school's intermural and intramural programs offer chances to display these skills.

Besides basketball and football, sports with a carry-over value are taught. Exam-

ples of these are badminton and table tennis.

The business department teaches skills that can be used in the work-a-day world. Typing, shorthand, bookkeeping, and others are offered in this opportunity wealthy department.

Row I. Walter Manifold.

Row II. Howard Lindsey.

Row III. Herman Hallett.

Row IV. Carter Byfield.

Row V. Miss Katherine Brown, Mrs. Barbara Deitrich, Donald Bowen, Herbert Lyon, Gilbert Peart, and Mrs. Lucille Railsback.

Row VI. Mrs. Marjorie Austin, Max Beigh, Richard Balsley, Carl Bonge, James Carter, and Henry Potter.

Arts

Besides teaching the student the professional approach to art, the art department stresses the leisure time objectives of the courses.

Many students who will never take up one of the arts for a life's work will find much enjoyment in employing them as a hobby.

In the music department students are offered a varied assortment of courses from glee clubs to the advanced study of the theory of harmony. For those who sing there are the boys glee club, the girls

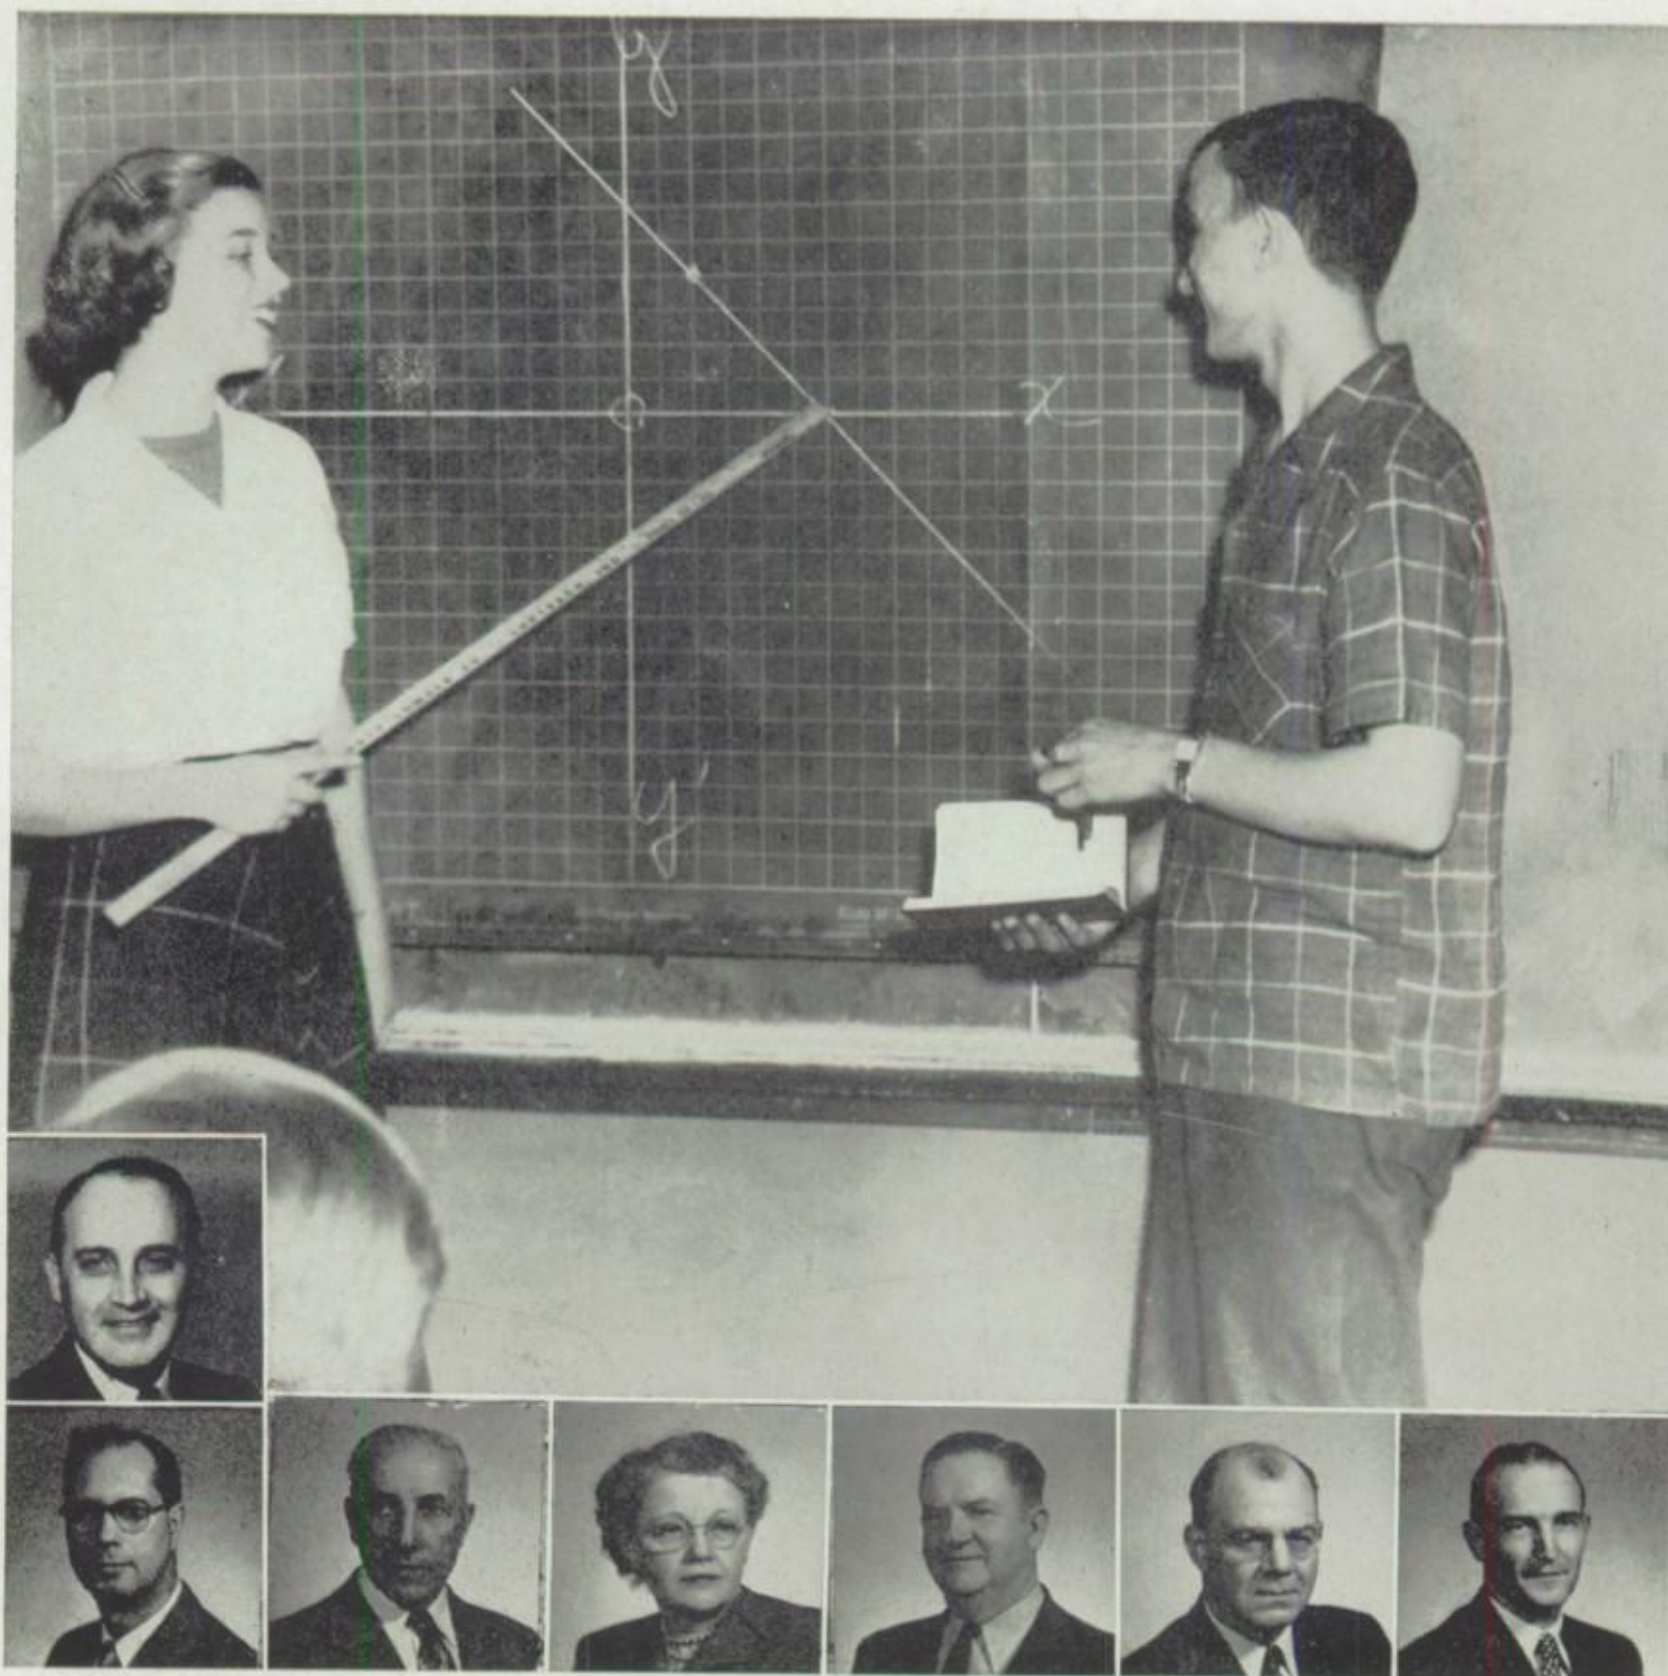

glee club, mixed choir, Choral Club, and Madrigal Club. For those who play an instrument, orchestra and band offer them an opportunity to express their talents.

In the household arts department girls are taught the arts of the home, proper methods of sewing, and general house-keeping.

Row I. Thomas Clem, Mrs. Elise Mulvihill, Miss Celia Carson, Mrs. Agnes Brock, Mrs. Betty Jo DeHart, and Floyd Hurst.

Row II. Mrs. Mary McFarland, Miss Mary Ruth Palmer, Richard Rencenberger, Mrs. Edna Rhynearson, Mrs. Dorothy Riggs, and Miss Rive Todd.

Mathematics

Emphasizing the practical side of mathematics—mathematics that can be used in daily living or in a particular trade or vocation - is one of the main objectives of this department.

For those who plan to go to college, courses in advanced algebra, trigonometry, and solid geometry will aid them in this undertaking. The truly complete curriculum of this department can qualify a

student for admission to the finest engineering schools in the land.

A course in technical algebra is offered to those on the trades and technical courses. Here again the practical side of mathematics is accentuated.

Row I. Basil Hosier.

Row II. Jesse Huntzinger, Elgin Todd, Miss Therese Bowen, Fred Weaver, Herbert Miller, and Claude Roney.

Choose Your Goals...

they are yours to attain

Graduation is a lot like the launching of a ship. Both mark the end of a period of preparation.

Behind a launching are years of planning and building—of fitting out with all the gear needed for fair and foul weather.

Behind graduation are years of acquiring information—of practice in exercising judgment and in setting values. All are intended to equip you to make the right decisions in the years to come. Behind, too, are the good times you've had, the companionship of many friends—and the

wise counsel of those who have been your teachers.

As you chart your course toward a new goal—whether it be the pursuit of a higher education or success in earning your own way—be thankful for the American tradition of individual freedom. Because of it, you are free to choose your goal. And you are free to achieve it by your own hands and brain, by your energy and industry, by your determination and self-reliance.

Good luck and Godspeed!
